DON'T WAIT UNTIL YOU NEED A STOCK BULL !

To insure continued and future success in your cattle breeding program it is most important that you have at all times an additional herd bull you can rely on. Don't wait until you "have to have one." That is a serious and often costly position to be in. Buyers from four states bought four of the bulls shown here in the 1956 Marellbar sale as herd bull insurance. From left to right — MARELLBAR DECORATION, bought by Henry L. Dietz & Sons, Russell, Kansas; MARELLBAR PILATE, bought by Fred Taylor, Como, Mississippi; HELMOR PURVIS 361, bought by Anthony Petkus, Capron, Illinois; MARELLBAR PROSPECTUS, sold privately before the sale to Gilbert Kardel, Walcott, Iowa, and MARELLBAR INFORMER, bought by Philip Sauer & Sons, Sanborn, North Dakota, the second Marellbar bull they have used in their herd. The Sauers are winners, for the last three years, of the grand championships over all breeds at the Valley City Winter Shows, the 1956 and 1957 champions sired by Marellbar Protector.

A PURCHASE THAT IS NEVER CHALLENGED

Why is it that your neighbors just naturally think you have taken a step in the right direction when you add Marellbar animals to your herd? The reasons are apparent. So rich are the pedigrees — so well planned the matings — so carefully blended are the bloodlines — so outstanding the performance in other herds — so dependable in every way are Marellbar calves that good breeders everywhere immediately applaud your judgment when you buy them.

Beginners who want to start right and well established breeders who want to build right may attend the 1958 Marellbar Sale with greater assurance than ever before that their aims can be accomplished. The six bulls are excellent. The group of open heifers contains many potential show ring winners. And the cows and heifers from Marellbar that are bred to Kair Ranger as well as the heifers from Kickapoo that are bred to Bapton Majestic and Calrossie Highland Chieftain are certain to delight their new owners since there will be plenty of evidence on sale day that these stock bulls are among the greatest sires of the breed.

Plan now to attend the Marellbar Sale. These are the kind of cattle that will carry their owners to positions of leadership.

Welcome to Our Buyers and Friends

It is a distinct pleasure to invite you again to Marellbar Farms on Tuesday, June 3, 1958. We have tried to do a good job in breeding and producing the kind of cattle that will meet with your approval. Without the support of our good friends, customers and neighbors, this would be an impossible task. In the breeding cattle business, as in any other, you can't rest on past accomplishments. We have higher aims for the future and plenty of evidence that increased efforts are bringing the desired results.

This year we offer the first calves by Kair Ranger, a distinguished show bull. They are compelling factors that lead us to believe that he will make an even greater record as a sire.

The bulls offered this year as a lot are better than last, and we have never sold a better lot of bred heifers — nine beautiful heifers beginning with Lot 7, all bred to Kair Ranger — uniform in type, color and quality. Their pedigrees will suit the most critical — they are good enough to make an improvement in any herd — and they could not be bred to a better bull. We are proud to have Mr. and Mrs. Stanley Harris join us again with seven beautiful heifers.

Our 12 open heifers, beginning with Lot 18, are by three great bulls and from the best breeding cows and most reliable families both at Marellbar and in the best herds in Britain. It would be impossible to write a better guarantee of performance.

This year, the unforeseen damage done to our farm by the Tri-State Toll Road, makes it an absolute necessity that we cut down our herd to fit our farming operation. Thus we are selling some of our cows, Lots 33-43, and we ask you to refer to the information above Lot 33 regarding them.

The influence that Kair Ranger and his calves will have on the public and their reaction will no doubt be the determining factor in measuring the valuations on our sale cattle. We have tried to be most conservative in our evaluation of Kair Ranger and his calves, but are confident you have a pleasant surprise awaiting when you visit the farm.

Your patronage and confidence are responsible for our continued success, and we are proud enough to think that our success or failure is important to the Shorthorn industry. We want you to be with us for an informal get together at Marellbar on Monday evening, June 2, after the Edellyn Dispersion, and Tuesday, June 3, to help us make this the usual happy occasion and successful sale.

John Blume

KAIR RANGER — The latest addition to the Marellbar herd bull staff. Purchased privately in Scotland after being Supreme Champion in 1956 at Aberdeen, Turiff and Fettercairn — was reserve grand champion at the 1957 International Livestock Show. He is by the famous Calrossie Crocus Count, great sire of Perth champions. One of the best judges of beef cattle in Great Britain described Ranger as "having as few faults as any bull he had seen — tremendous bone, depth and thickness, good, deep, full quarters, style, character and balance, the carriage of a stock bull." The record of Calrossie Crocus Count at the Perth shows is as follows: 1958 — sire of Reserve Junior champion, three firsts and two seconds . . . 1957 — sire of Reserve Junior champion . . . 1956 — sire of Junior and Reserve Supreme champion (Kair Masterkey) . . . 1954 — sire of both Supreme and Reserve Supreme Champions. Kair Masterkey, 1956 reserve supreme champion, sired the Junior and Reserve Supreme Champion at the 1958 Perth Show, the Champion Three Bulls by One Sire and the Reserve groups of Three and Five bulls. Calrossie Welcome has sired numerous Perth champions, was double grandsire of the 1958 Perth Supreme Champion.

Phopachy King Charles was bought at Perth in 1954 and has lived up to his rich heritage by siring many top cattle in the Marellbar sales as well as both second prize junior and senior gets at the 1957 International Livestock Show, pictured on Page 13 of this catalog. Two sons and three daughters sell. He is now owned by Marion Mackey, Clarksville, Missouri.

Kinnellar Metaphor, son of Gallant Marshal by Erimus Gallant and from a daughter of Cruggleton Bonn, sold as Lot 1 in our 1957 sale to L. D. Johnson & Sons, Cushing, Iowa. His service was used in mating some of our very best heifers before he was sold, and two sons and six daughters sell. Gallant Marshal's calves made an enviable record for the Campbells in the 1956 and 1957 Perth sales, winning top honors and top prices, and Metaphor's dam, Kinellar Mabel 8th, is one of the best in the Kinellar herd.

Cruggleton Leishman was Reserve Supreme Champion at Perth in 1952 and has done a great job following all the other famous bulls at Marellbar. His sire is Erimus Donald by Kirkton Challenger by Kirkton Baronet, and his dam, Lavendar Electra, is one of the great Shorthorn females of all time, she by Cruggleton Annexe by Cruggleton Brunel. Lot 3 is a son and Lot 38 is an imported cow by Cruggleton Brunel.

Left: **Calrossie Highland Chieftain** was the top-selling Calrossie bull at Perth in 1953. He has sired for Kickapoo Farms the reserve champion bull and both junior and senior winning gets at the 1955 International, both champion sale females at the 1956 International, and the champion female, first prize senior get and eight of the Best Ten Head of Shorthorns at the 1957 International. Two daughters sell and two heifers carry his service in the Kickapoo Farms consignment.

Right: **Kickapoo Council Chief**, reserve grand champion bull at the 1955 International Livestock Show for Kickapoo Farms, by Calrossie Highland Chieftain, has been retained for herd duty. A daughter sells as Lot 23 and Lot 17 is by a half-brother.

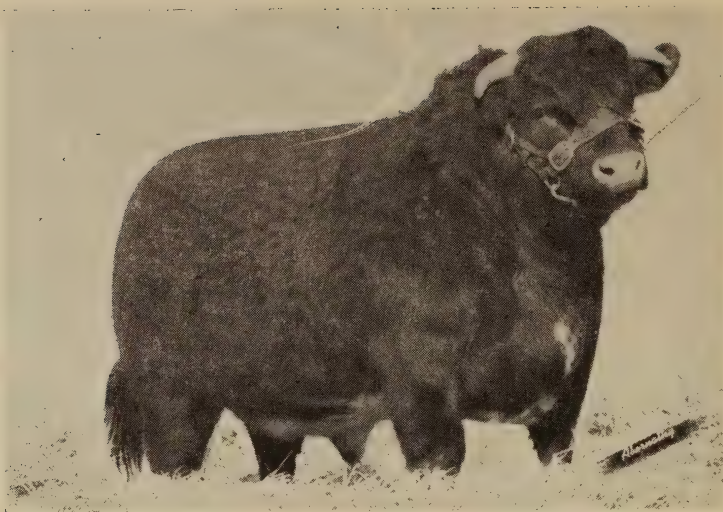

Winning Senior Get of Sire at the 1957 International Live Stock Exposition, by Calrossie Highland Chieftain, second time in the last three Internationals that Kickapoo has won this on the get of Calrossie Highland Chieftain. L to R: Kickapoo Nonpareil Rona, third senior heifer calf, Kickapoo Blood Royal, grand champion female, Kickapoo Floss, summer yearling heifer, Kickapoo Favorite Chief, first prize summer yearling bull.

Bapton Majestic, newest herd bull at Kickapoo Farms, is the service sire of two heifers selling in the Kickapoo consignment. He was bought at the 1956 Perth sale and is a three-fourths brother to Bapton Aurora, sire of the 1957 Perth Supreme Champion, Bapton Controller. Majestic's sire is Kirkton Hercules, sire of Bapton Aurora, he by Kirkton Baronet and out of the famous cow, Roth's Carlotta. Majestic's dam is a daughter of Beaufort Augusta 3rd, the dam of Bapton Aurora, she by Bapton Battleship. Majestic's first calves at Kickapoo are great. We invite you to see them at Kickapoo on Sunday evening, June 1st, at Kickapoo's informal garden party.

Four of the heifers selling in the Kickapoo consignment. Left to right: **Kickapoo Secret Purity**, Lot 17, by Kickapoo Perfect Chief; **K Butterfly Bridesmaid**, Lot 18, by Bapton Captivator; **Susanna Butterfly 8th**, Lot 15, by Susanna Basis, and **K Princess Royal Di**, Lot 9, by Louada Gambler.

MARELLBAR ACCLAMATION — By Phopachy King Charles, the sire of the 1957 International 2nd prize senior and junior gets and the third prize pair of calves. Acclamation is very much like his sire, full of quality, deep, smooth and level, with a grand head and horn. He stood 2nd in his class at the 1957 Illinois State Fair, the only time shown. His dam is one of the best bull producing cows in North America, and also one of the best daughters of Naemoor Immaculate. Her bull calves sold have made the grand total of over \$20,000. Marellbar Purvis, a \$10,000 son of Drynie Broadhooks 31st, is now in service at Susanna Farms.

This quartette was second senior get-of-sire class at the 1957 International. These were sired by Phopachy King Charles, a bull recently purchased by Marion Mackey, Clarksville, Missouri. This get includes Marellbar Officer, Marellbar Rosewood 4th, Marellbar Verbena and Marellbar Rosewood 3rd.

Seen above are three excellent Shorthorns by Phopachy King Charles that stood second in the strong junior get-of-sire class for Marellbar Farms at the 1957 International.

Produced from the matings of famous stock bulls with cows like those shown above, you will find in this sale the best individuals of the year backed by the strongest pedigrees of the year.

This calf is bred to make a great sire.

K PRINCESS ROYAL DI — This heifer stood sixth in a class of 25 senior heifer calves and was a member of our Best Ten Head at the 1957 International Live Stock Exposition. A very attractive daughter of Louada Gambler, the great breeding son of Calrossie Armada at Hi Ho Farms. Bred to Calrossie Highland Chieftain. Pre-tested clean and vaccinated.

This pair of Kair Ranger calves talk it up in the barn. Left is a heifer calf from Marellbar Lancaster 6th and right is a bull calf belonging to Marellbar Lancaster 3rd.

“The Lancasters”

A success story of a great cow and her illustrious family.

Beaufort Lancaster 27th was purchased at the 1945 draft sale of Calrossie and Beaufort in October 1945. She cost \$2,000. Her first calf, Beaufort Banner Bearer, was also bought at the same time for \$900. Lancaster 27th was in calf to Millhills Arthur, the chief stock bull at Beaufort at that time. This mating produced the white heifer, Marellbar Lancaster, in March, 1946. She was the Grand Champion Female at the 1947 Fort Worth Show. Her first calf born in 1948, a roan bull by Crichton Broadway, went to Mississippi at \$600. Her second calf, Marellbar Prediction by Cruggleton Allardice, was the first prize senior bull calf at the 1950 International. He was sold to Hickory Creek Farms at \$5,000. Third calf, Marellbar Lancaster 3rd, born September 1950, was 1st prize senior heifer calf at the 1951 Illinois Fair. She is one of the best in our breeding herd. Marellbar Duplicator 4th, born in 1951, was sold to Geo. Struve & Sons of Iowa at \$3,400. He was 1st prize senior yearling at the 1953 International and made a wonderful record as a sire, having several first prize winners to his credit. Marellbar Lancaster 4th by Cruggleton Purvis, her fifth calf, was sold to Crown Crest Farms of Kentucky as a calf at \$1,550. When this herd was dispersed, we bought her for Marellbar. Her first calf, Marellbar Assignment, sold in the 1958 Illinois State Sale. Marellbar Lancaster 9th, her sixth calf, by Cruggleton Allardice, has produced three calves, her first two, both heifers, were sold as calves and averaged \$1,000. Marellbar Lancaster's last calf, a roan bull, was sold to George Saxton of Mississippi at \$875.

Marellbar Lancaster 3rd, mentioned previously, produced Marellbar Lancaster 7th, her first calf, sired by Cruggleton Purvis, was Junior Champion at the 1954 Illinois Fair. Marellbar Lancaster 7th's first calf, a dark roan heifer by Cruggleton Leishman, sold to Hubert Long, Slidell, Texas. Her 2nd, a red bull, Marellbar Reference by Kinellar Metaphor, sells in our June sale. Lancaster 11th, by Cruggleton Leishman, born June 1954, her second calf, 3rd at the 1955 International and 4th in 1956, produced twin red heifer calves that will both be shown in 1958. Two of her sons sold last year at \$1,000 each, including Marellbar Revolution to Larry Hanson, of South Dakota, and another to A. F. Wild, Palatine, Illinois. She now has a January bull calf by Kair Ranger that is perhaps the best bull calf ever born at Marellbar.

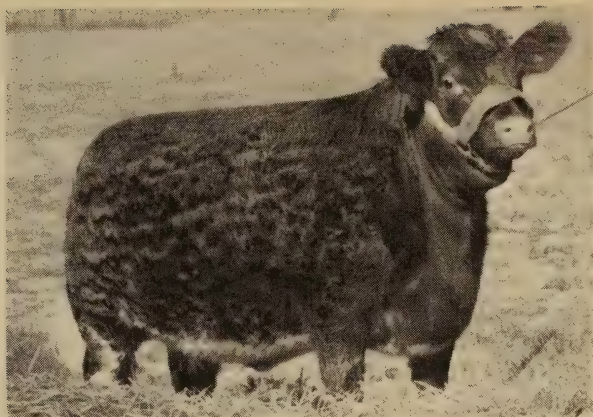

Twin heifer calves (not selling) sired by Helmor Purvis 361 by Cruggleton Purvis, and out of Marellbar Lancaster 11th by Cruggleton Leishman. They will be a year old in June, and will be in the 1958 Marellbar show herd.

Marellbar Lancaster 2d by Marellbar Mandate, the only other daughter of Beaufort Lancaster 27th and the last calf she had, produced Marellbar Lancaster 5th by Cruggleton Allardice. She was a 1st prize winner in 1953 and 1954. Her first calf, a red heifer, was sold to Chas. Ewald of Minnesota in June 1957 at \$1,750, that was a 1st prize winner at the Minnesota fairs last year and recently produced a red bull calf by Kair Ranger. A red son of Lancaster 5th, Marellbar Foundation, sells in our June sale, one of our best young bulls. Marellbar Lancaster 16th, another daughter of Lancaster 2d, also sells.

Cluny Lancaster Lily by Glastullich Dignity out of a Millhills Arthur dam, is of the same breeding as Marellbar Lancaster. Her granddam is Beaufort Lancaster 29th by Lawton Field Marshall. She was purchased from the Cluny herd in 1952 and has produced five calves, four of them heifers. Her first, a daughter of Cruggleton Godwin, Lancaster 6th, and her first calf, a red heifer, was sold to Vaughn Moore of Iowa at \$1,250. She has had four calves. Cluny Lancaster Lily and Marellbar Lancaster 6th both have beautiful dark roan heifer calves now by Kair Ranger.

This Lancaster family is still very popular at Beaufort and is one of the oldest, one of the most reliable and most productive. I believe Beaufort has maintained this family since about 1860. This history is certainly positive proof of the value of a family over a long period of years. The confidence Lord Lovat and his forebears had in this particular line of breeding, and their constructive art in developing breeding cattle, has made the Lancaster family one of the most valuable of the breed. As long as there is a Marellbar there will be Lancasters, and there are certain to be many more records of achievement of this great family to be written in the years to come.

JOHN BLUME

Marellbar Lancaster 5th by Cruggleton Allardice, was a first prize winner in the Marellbar show herd in both 1953 and 1954. She is a half-sister to Lot 10 and dam of Lot 4.

Calrossie Hyperbole, sire of the dam, also sired Calrossie Fortitude, 1958 Perth Supreme Champion and top selling bull at \$39,000. Eleven Cows From Our Breeding Herd

The 11 lots which follow are not being sold for any other reason than the loss of one of our farms to the new Tri-State Toll Road. Since it is necessary to reduce our cow herd to fit the remaining acreage and buildings, these cows selected to sell were picked from our breeding herd. They are regular producers, sound as can be, with proven production records of outstanding merit. They have made money for us year after year. They will prove sound investments for any one. Five have calves at foot, two bulls, three heifers. Four are by Kair Ranger. Several of these five cows with calves are rebred to Kair Ranger — the other six are safely settled to him. We know full well that the calves from these cows will probably be far more valuable than the purchase price of the cows, but this is part of our great breeding foundation we must, of necessity, share with the public.

Due to the construction work in connection with the Toll Road now taking place on the part of Marellbar Farm along Highway 120, the entrance to Marellbar may prove confusing to visitors. We will have direction signs posted in prominent places. Watch for them.
